### **NATIONAL MEETING 2012**

#### **BULLETIN No 1**

The MG Car Club of Tasmania Inc invites all MG enthusiasts from around Australia (and overseas) to the 2012 National Meeting to be held in the Hobart area from Friday 6<sup>th</sup> April to Monday 9<sup>th</sup> April over the 2012 Easter weekend. This will be the sixth National Meeting held in Tasmania.

We intend to provide all participants with an interesting variety of competition and social events and are anticipating that many of the interstate and overseas visitors will take the opportunity to spend a few extra days in Tasmania enjoying the great roads, the marvellous scenery and the range of culinary delights for which the state has gained great acclaim.

The club has a good working relationship with the Federal Group, operators of the Wrest Point Casino and a number of other tourist based facilities around the state. A number of National Meeting activities will be based at Wrest Point and for those reasons we are recommending Wrest Point as our suggested National Meeting accommodation provider with accommodation options on site ranging from 3.5 to 5 star. Wrest Point Casino has ample undercover and security monitored parking.

Wrest Point can also assist with bookings at other Federal Group locations around the State.

Accommodation bookings at Wrest Point may be made using the following toll free number
