

ORDER FORM

A book, '*History of the Hill – a pictorial history of the first 40 years of Mt Cotton Hillclimb*', is currently being published. It will be ready for sale at the AHC in November.

It is mainly pictorial and features, amongst other things, :

- An illustrated outline of the history of the hillclimb
- The winners of all major trophies
- Information on all those who have won FTD or Top Six
- Information on milestones in terms of times achieved and a celebration of those who have broken the magic 40s mark
- The Tighe Cams series
- 'Personal perspectives', a collection of reminiscences from many contributors
- Tributes to interesting vehicles which have competed and to the occasions when Leonard Teale attended and when Dick Johnson took part in special challenges

The book will be accompanied by a CD containing

- full results of all hillclimbs from Feb 1968 until the end of June 2007
- full reports of all hillclimbs (from the Club's magazine, the *Octagon*)

There will only be a limited number printed so you are being given the opportunity of pre-ordering now to ensure you don't miss out.

The price is \$80 – this is for the package of the book and the CD. They will not be sold separately.

.....

Also available for sale are two photo CDs. These are essentially 'catalogues' of photographs taken at Mt Cotton hillclimb by Brier Thomas and John Clatworthy.

The **Brier Thomas CD** contains over 2000 images from the years 1968 – 1991; the **John Clatworthy CD** contains over 5000 images from the years 1983-1997. These CDs will enable you to view images of cars in action at the hillclimb over these years – a great experience in itself. From these, you will also be able to order larger photo files of individual photos should you wish to do so – it's an opportunity to buy the photos you didn't get around to buying back then!

If you would like to pre-order the book or order photo CDs, fill in the form below and post, along with your payment, to the MG Car Club of Qld, GPO Box 1847, Brisbane, Q 4001.

I wish to pre-order and/or order the following :

Name

Address:

.....

.....

Phone:

Email:.....
