EDITORIAL

Dear Members,

You will say 'It's small!' - this edition I mean. 'Cause we want to notify you of several changes to our calendar etc. - in our 'usual' editors absence. Meg. is viewing the 'Southern Cross' at the moment - full report from her when she arrives back, we hope.

CHANGES are - 20th October - is the Miss. Queensland Motor Sport Quest Dinner - not our usual and advertised Night Run. The Night Run will be held on the 27th now and the Film Night has been put to the 3rd November - please mark thses on your calendars.

Another date for your calendars - ladies and gents is the 9th December - 1.30p.m. We're holding a Fund Raising afternoon with a difference at our 'humpy' (as Peter calls it). Ladies (and gents if so they feel inclined) are invited to attend a tupperware party (profits of which will go to the Club) - while the Gents can congregate downstairs and have discussions on M.G.s and things in Pete's workshop. More on this in our next edition - but mark the date for now.

Don't forget we have our Concour coming up in December so start polishing. At same we anticipate having a Swap & Sell so start sorting and saving.

Well hope you can sort out the changes and we'll see you all on the 20th, 22nd, 27th etc. etc.

BODS & BENDS

WHO is the racing driver who is showing more than a passing interest in the Elfin of Ivan Tighe. Unbeknown to him, he only has a rough chance.

.....0000.....

Meg (Scraggs) O' whatever was not in the Shell tent after Lakeside. Is it because the T.R.E. team was there? (Dale, John, Kees?).

.....0000.....

Is John Whittaker working his way around Lakeside on his roof? Bad Luck John. Front tyres do cause problems when they go down don't they!

.....0000.....

Steve Austin rises at 4.30 a.m. on Race mornings to play golf!!!!!!!

.....0000.....

The 'Phantom Ford' (contary to common opinion) is a very viable racing car.....and won \$60 (2nd class Qld. T.T.) first time out. Good going Richard Croston.

.....0000.....

Due to a deflated tyre Dale Johnstone had a hard time explaining to various persons as to why his car bent some armco fencing around the bridge area at Lakeside last meeting.
