Mount Cotton Hillclimb

About

The Mt Cotton Hillclimb situated on Gramzow Rd at Mount Cotton has been operating continuously since February 1968.

It is owned and managed by the MG Car Club of Queensland Inc. Situated in a parklike bushland setting the facility is well maintained by an industrious group of Club volunteers.

The Hillclimb circuit is a bitumen surface, 946 metres in length.

Considered as one of the most challenging Hillclimb tracks in Australia, the layout offers a variety of steep climbs, rapid descents, hairpins and corners with varying cambers.

Competition Rules

Events are held under the FIA International Sporting Code including Appendices, the National Competition Rules of Motorsport Australia (MA) and the Speed Event Standing Regulations. Events will be conducted under and in accordance with MA OH&S and Risk Management Policies which can be found on the MA website at www.motorsport.org.au

Supplementary regulations for each event are published at mgccq.org.au/entryforms.

Further regulations may be published during the event.

Driver Protective Apparel (PPE)

- Non Synthetic Clothing extending to neck, ankles and wrists..
- Non-synthetic shoes.
- Personal Crash Helmet compliant to current Australian Safety Standards.

Driver's apparel, including helmet, is to be as per Schedule D of the current MA Manual of Motor Sport and must be presented to the scrutineers for inspection.
